PERSONAL PROFILE

Hello! I am Mandy. I completed my IB Diploma and obtained the Bilingual graduation certificate. During my stay at the school, I have tutored and helped junior Chinese students to have a deeper understanding of the IB Chinese Language and Literature courses. Not only have I had experience with tutoring Chinese students, but I also have experience tutoring foreign students to learn mandarin language B. This includes writing, listening, reading, and speaking.

One of the things I enjoyed the most while teaching was giving students tips in learning mandarin and exam tips that I believe will better help them score. I believe that there are no bad students, only bad learning experiences.

I have a lot of experience in multiple teaching methods, and thus can flexibly use my past teaching experiences to teach students the most suitable way unique to them, no matter the age group or different learning styles.

I am familiar with Chinese speaking, listening, reading, and writing. In particular, I have participated in composition competitions. Having studied Mandarin in local schools such as China and Singapore, as well as in an international school, allows me to know the broad range of issues that students face when learning mandarin.

I hope to share the beauty of this language to more people so that students in Singapore can better understand Chinese culture, but also hope to help students during examinations in order to score well.

个人介绍

你好！我是Mandy。我拥有IB diploma并获得了bilingual的毕业证书。在学校期间，我多次辅导并帮助低年级的中国学生能对IB中文语言与文学课程有更深理解与认知。不仅是中国学生，我也有辅导外国学生学习中文语言B的经验。包括写作、听力、阅读与口语。在此期间，我最为享受的便是授予学妹学弟们学习中文和考试的技巧。

我相信没有不好的学生，只有不会教的老师。授之以鱼不如授之以渔。在教学方法上我颇有经验，不管是不同的年龄层亦或是不同方式的教育方法，我都能够灵活运用过去学习的经历与经验对学生进行最适合他们的教导模式。

我对中文的听说读写都颇有涉猎。特别是作文方面，我有过现场写或是私下创作参加作文比赛的经验。而因为有过在中国本地、新加坡本地以及国际学校学习中文的经历，作为学生的我能够清楚知道有哪些学习方式是适合学生的。希望能够将这些方法教给更多的人，让新加坡的学生能够了解国家的华语文化，更希望能助学生们的考试一臂之力。
